Catholic Corner

The sound of bells rung at Mass alerts us that something significant is happening. In the days when clocks were not common household items, churches were built with large bell towers that notified people that Mass was going to begin soon. When Mass was said in Latin, bells were used to alert the assembly that the bread and wine had been consecrated into the Body and Blood of Christ. The bells are still traditionally rung to give the faithful a sense of piety and excitement.

SAINT JOSEPH SCHOOL NEWS

SAVE THE DATE - Midlands Gives 2019 is Tuesday, May 7th. This one day online community giving event is a great opportunity for us to build awareness and raise much needed funds for our school. Last year our school raised over $45,000 for our Saints Fund in just 24 hours. This year, we hope to top that!

Every dollar raised will improve the education we can offer our students. The money will give us the ability to continue to upgrade technology for all grade levels, to make necessary improvements to our facilities, and to continue offering tuition assistance to as many families as possible.

We will have students outside after all Masses this weekend to accept your cash or check donation that will count towards our goal. You may also give online on May 7th at:

midlandsgives.org/stjosdevine

We hope all members of our school and parish community will participate in this event to benefit our Saints Fund. We are so grateful for your support.

LIGHTHOUSE CATHOLIC MEDIA

In the ancient disciple-rabbi relationship, the disciple would follow the rabbi so closely that he would be covered in the dust kicked up from his rabbi's feet. Thousands of years later, though we walk on roads of pavement and not dust, we are still called to be disciples—to follow our Rabbi, Jesus Christ, so closely that we are covered with His life, changed, and made new. But this transformation in Christ doesn't happen overnight. In his newest book *Into His Likeness*, Edward Sri reminds us of two basic truths: First, (A) The truth of our human condition: we are full of many weaknesses, wounds, and sins. And second, (B) The truth of our high calling—we are called to be perfected in God's love and transformed in Christ. Living as a disciple is all about the process of getting from A to B. Edward Sri demonstrates that transformation in Christ is possible in all ages. Discover this and other informative resources in the kiosk in the vestibule of the Church.

MARK YOUR CALENDAR – *MIDLANDS GIVES* IS TUESDAY, MAY 7!

Midlands Gives is a one day online giving event that supports nonprofits in the midlands. Last year, our school raised over $45,000 for our Saints Fund during Midlands Gives. The Saints Fund is the single most important fundraising campaign at Saint Joseph Catholic School. This fund helps with everything from tuition assistance-- over 1/3 of our students receive financial assistance---to technology upgrades and facility improvements. It. helps make a quality Catholic education affordable for more families.

Double your gift with a match from our Matching Gift Angels. Generous Saint Joseph donors have agreed to match at least $21,000 of donations to the Saints Fund made during Midlands Gives. Our goal is to raise $50,000 (or more!) in one day with your help.

While you can give any time from 6:00 am to midnight on May 7th, we are competing during the 4:00 – 4:59 PM Power Hour competition. If during that hour we have the most unique donors, the school will earn a $2,500 prize. Donate online at https://www.midlandsgives.org/stjosdevine.

Not sure how to give online? We will have students outside of church after all Masses this weekend -May 4th and 5th - to accept your cash or check donation. All donations, no matter the size, count towards our goal.

We hope all members of our school and parish community will participate in this event to benefit our Saints Fund. We are so grateful for your continued support.

ROMAN CATHOLIC
DIOCESE OF CHARLESTON

OFFICE OF THE BISHOP

May 2019

Dear Brothers and Sisters in Christ,

As you know, charity has always been an essential activity of the Church, which is why the mission of Catholic Charities of South Carolina is so important. Every day people come to Catholic Charities seeking help to alleviate their suffering. The good people who work and volunteer at Catholic Charities serve the poor in many ways throughout South Carolina

To help support their ministry, each year we come together as a diocese to give back to Catholic Charities so they can offer more assistance to people in difficult situations. This year we need your generosity more than ever. Your generous gift will help in many ways, such as:

- Seniors living at the Carter May Home
- The homeless washing their clothes at Clean of Heart
- Our neighbors seeking help at Immigration Legal Services
- The hungry being fed at Our Lady's Pantry
- Older adults being visited and helped at home
- Folks needing dentures with Save a Smile
- Pregnant women with nowhere to turn
- Our incarcerated brothers and sisters preparing to leave prison
- People caught in natural and economic disasters needing case management services and emergency financial assistance.

Your gift is so needed!

Please join me in being generous to so many who come to us in need – and there are so many more coming to Catholic Charities today. Together, we can provide help and create hope by turning our donation into an effective means of living our faith.

Catholic Charities provides many programs and services to God's family throughout our state. Your generosity will make a great difference in the lives of so many people who look to the Church for assistance. I rely heavily on Catholic Charities to help me fulfill Christ's mandate to serve those most in need, and I ask you to join me in supporting their loving service.

In the Lord's Peace,

+ Robert E Guglielmone

Most Reverend Robert E. Guglielmone
