Catholic Corner
Atheism is the view that God does not exist. The line between being unable to believe and being unwilling to believe is often not clear. The attitude that simply dismisses faith as unimportant, without having examined it more closely, is often worse than well-considered atheism.

THE DIOCESE OF CHARLESTON

June 2015

Dear Brothers and Sisters in Christ,

Participation in the **Peter's Pence Collection** gives us an opportunity to be a witness of charity to our brothers and sisters around the world. Gifts to this annual collection help the Holy Father support victims of war, natural disasters, and others most in need of assistance.

The Peter' Pence Collection unites us in solidarity with the Holy Father and his works of charity toward those who are suffering around the world. Pope Francis reminds us that true power lies not in amassing possessions and resources for ourselves but in giving. "We must never forget that true power, at any level, is service, whose bright summit is upon the Cross . . . it means entering the logic of Jesus who kneels to wash the Apostles' feet," he said. Your contributions to the Peter's Pence Collection join with the power of Christ to give support to those in need.

Join Pope Francis and be a **witness of charity** throughout the world. You can participate through your donations, prayers, and outreach to spread the message of the love of Christ. Please be generous in the Peter's Pence Collection.

I am grateful for your kindness. Together let us ask the Lord to bless the Holy Father and us, as well as those in need throughout the world.

In the Lord's Peace,

Most Reverend Robert E. Guglielmone
Bishop of Diocese of Charleston

This collection will be taken up in the Diocese of Charleston on June 28th
